We encourage you to work on your boat, provided that you clean up after yourself and respect the property of others. Our liability insurance requires that no outside contractors be permitted to work on boats unless proper arrangements have been made with Yankee Marina & Boatyard. All outside contractors must have compensation and liability insurance. Yankee Marina & Boatyard reserves the right to bill a service charge for the use of facilities by any outside contractor. All bills are due upon completion and must be paid prior to the boat leaving the premises of Yankee Marina & Boatyard. Property is stored, parked or otherwise left on the premises at the owner's risk.
